PROFESSIONAL DEVELOPMENT & DIVERSITY

Well-Being Initiatives to focus on personal wellness, stress management, and recognizing possible signs of excess strain, including mental distress or substance abuse.

Affinity Groups to provide opportunities for our African American, Asian American, Latinx, LGBTQ+ communities, and women to connect across offices, build relationships, access mentors, and become more involved and visible at the firm.

Coaching to provide associates the opportunity to get tailored one-on-one support on professional issues.

Academies to connect first, third, fifth, and seventh-year associates from across the firm, help develop and nurture relationships, and build level-specific professional skills.

Legal Training to provide attorneys with the substantive and procedural knowledge necessary to ensure success at all levels and help them remain at the top of industry knowledge, including shadowing opportunities to allow associates to build skills by watching experienced attorneys perform high-value tasks.

Professional Skills Training to help associates develop and improve their performance in the areas of business acumen, business development and client relations, management and leadership, and risk management.
