Lisa Davis is senior counsel in the Palo Alto office of Wilson Sonsini Goodrich & Rosati, where she is a member of the antitrust practice and focuses on antitrust litigation and counseling.

Lisa has more than two decades of experience representing clients in litigation under the Sherman Act and California competition law, as well as responding to civil and criminal investigations conducted by the Department of Justice, the Federal Trade Commission, and various state attorneys general. She also has extensive experience advising clients on pricing and distribution issues, including the Robinson-Patman Act, and, more generally, on in-house procedures for ensuring compliance with antitrust laws.
