- Experienced Delaware Corporate Law Practitioner**
Ryan provides corporate advice with respect to fiduciary duties and statutory requirements through the various steps in a company's life cycle, from incorporation to liquidations and dissolutions.
- Thought Leadership**
He has served as an adjunct professor of law at Vanderbilt University, teaching a class on disruptive technologies and the development of corporate law.

EXPERIENCE

Ryan Greecher is a partner in the Delaware office of Wilson Sonsini Goodrich & Rosati. His practice focuses on providing Delaware corporate law advice with respect to fiduciary duties and statutory requirements through the various steps in a company's life cycle, including incorporation, preferred stockholder investments, purchases and sales of assets, dividends and capital repurchases, tender offers and mergers and acquisitions, and liquidations and dissolutions. He frequently has represented private and public company boards of directors and special committees in negotiating and drafting various corporate transactions and also provides corporate advice in the litigation context to defend such actions. Ryan has served as an adjunct professor of law at Vanderbilt University, teaching a class on disruptive technologies and the development of corporate law.
