EXPERIENCE

David Wang is Wilson Sonsini's chief innovation officer. David is responsible for overseeing the firm's innovation strategy, the development and implementation of legal technology programs, and supporting and advising both internal and client teams on the legal and operational implications of emerging technologies and business models in the legal industry.

David previously practiced corporate and securities law for more than 10 years, working with private and public companies on general corporate and transactional matters, including at Wilson Sonsini as well as Davis Polk & Wardwell. David was an entrepreneur prior to becoming a lawyer.
