EXPERIENCE

Andy Gillman is a partner in the Palo Alto office of Wilson Sonsini Goodrich & Rosati, where he works with public and private technology companies at all stages of growth, from early-stage start-ups to scaling businesses. His practice focuses on corporate and securities law, including venture capital financings, M&A, and general corporate governance. Andy also has experience guiding companies through IPOs. Prior to practicing law, he was a certified public accountant and financial statement auditor, bringing a deep financial perspective to his legal practice.
