EXPERIENCE

Arjun Adusumilli is an associate in the Palo Alto office of Wilson Sonsini Goodrich & Rosati, where he practices corporate and securities law.

While in law school, Arjun was a member of the Harvard Law Entrepreneurship Project and the Cyberlaw Clinic, through which he helped advise local entrepreneurs and small businesses on regulatory compliance and securities-related matters. He also served as a teaching assistant for the law school's Programming for Lawyers course.

Prior to law school, Arjun worked as an engineer at Texas Instruments and subsequently as a patent agent at Baker McKenzie in the firm's Dallas office.
