EXPERIENCE

Rob Broderick is a partner in the New York and San Francisco offices of Wilson Sonsini Goodrich & Rosati. Rob advises hypergrowth tech companies raising money—from start-ups raising a few hundred thousand dollars of seed funding to unicorns raising hundreds of millions (or even billions) in growth capital, and everything in between.

Rob has negotiated venture deals on behalf of many of the most exciting companies in tech, including investments led by Accel, Altimeter, Andreessen Horowitz, Fidelity, Founders Fund, General Catalyst, Greylock, Index, Innovation Endeavors, Kleiner Perkins, Lightspeed, Lux Capital, NEA, QED, Ribbit, Sequoia, Softbank, Tiger Global, T. Rowe Price, Y Combinator, and many others.

He has also negotiated strategic investments on behalf of his clients, including investments by Amazon, CrowdStrike, Google, and Uber.

In addition to negotiating capital raises, Rob serves as an external general counsel to his clients, advising on a variety of strategic and day-to-day legal matters.
