EXPERIENCE

James Babikian is an associate in the Seattle office of Wilson Sonsini Goodrich & Rosati, where his practice focuses on corporate and securities law matters for emerging and public companies. He represents companies at all stages of development in a variety of transactions, including venture financings, mergers and acquisitions, and public offerings. He has also led internal innovation projects at the firm aiming to increase efficiency and improve client experience.

Prior to joining the firm, James was an associate in the New York and London offices of Sullivan & Cromwell LLP, where he represented major European and American companies on cross-border public debt offerings, corporate restructurings, and mergers and acquisitions.
