EXPERIENCE

Daniel Chen is an associate in the Palo Alto office of Wilson Sonsini Goodrich & Rosati, where he focuses on privacy, cybersecurity, and data processing matters. Daniel works closely with clients to navigate complex compliance risks and challenges, including in connection with the use of data and data-driven products and services. He also has extensive experience advising clients on mergers, acquisitions, spin-offs, securities offerings, strategic partnerships, data licensing arrangements, service engagements, and other commercial transactions.

Prior to joining the firm, Daniel was in-house counsel at a technology company. In this role, Daniel advised on all phases of product compliance, privacy compliance, marketing, incident response, and commercial negotiations.
