EXPERIENCE

Celine Liu is an associate in the Washington, D.C., office of Wilson Sonsini Goodrich & Rosati, where she focuses on intellectual property litigation and counseling. Celine has litigated more than 30 cases before federal district courts, state courts, and the U.S. International Trade Commission concerning patent, trade secret, and licensing disputes. She has represented clients in litigation involving semiconductor technologies, mobile communications devices, wireless network communications products, LED lighting products, consumer electronics, computer cooling products, pharmaceuticals, and rare-earth products.

Celine has been involved in patent cases in court and administrative proceedings that occur outside of the U.S. She has also arbitrated cases overseas involving contract and commercial disputes.

Celine frequently speaks on matters related to U.S. patent law and litigation at conferences and panels. She is fluent in Mandarin.
