and Activism

HIGHLIGHTS

- **Highly-Skilled M&A Advisor**
Broderick provides practical strategic advice to technology and life science companies at all stages of the business life cycle in connection with mergers and acquisitions, divestitures, equity investments, and joint ventures and other corporate and strategic transactions.
- **Trusted Advisor to Founders and Companies**
Broderick regularly advises start-ups, emerging companies, and public companies on corporate governance matters, M&A, and strategic transactions for industry-leading companies, including Splunk, Mandiant, Medallia, and Headspace Health.

EXPERIENCE

Broderick Henry is a partner in the Palo Alto office of Wilson Sonsini Goodrich & Rosati, where his practice focuses on mergers and acquisitions, divestitures, equity investments, and other strategic matters involving public and private companies. Broderick primarily represents clients in the technology industry, but has represented clients in a wide range of industries, including aviation, financial services, consumer products, energy and infrastructure, security, and manufacturing.

Prior to joining the firm, Broderick was an associate in the New York office of Milbank LLP, where he was a member of the corporate department.
