Data Storage and Cloud  
Internet  
Mobility  
Technology Transactions

### HIGHLIGHTS

#### ■ Broad Technology Transactions Experience

Jonathan's practice focuses on counseling clients on a wide range of technology-related matters arising from strategic corporate partnerships, intellectual property licensing, and mergers and acquisitions.

#### ■ Expertise in Complex Transactions

His experience includes representing start-up and public companies in connection with structuring and negotiating complex commercial transactions, including joint development agreements, hardware manufacturing agreements, reseller/distribution agreements (OEM and VAR), and SaaS terms of use.

### EXPERIENCE

Jonathan Ye is an associate in the technology transactions practice in Wilson Sonsini Goodrich & Rosati's Palo Alto office. He focuses on strategic commercial transactions, investments, and mergers and acquisitions involving companies that are creating leading innovative technologies.

Prior to joining the firm, Jonathan was an associate in the licensing and commercial transactions practice of a boutique law firm in Silicon Valley and was in-house product counsel at an autonomous electric vehicle start-up.
