EXPERIENCE

Ben Miller is an associate in the San Francisco office of Wilson Sonsini Goodrich & Rosati, where he represents technology and growth companies at all stages in corporate and securities matters. He has experience guiding clients through incorporation, convertible and preferred stock financings, and day-to-day corporate governance matters. He also has experience representing investors, including venture funds, individuals, and strategic investors, as well as advising on acquisitions.

Ben began his legal career in Tokyo and speaks Japanese. Before law school, he was a visual effects artist and is credited in films including *Iron Man*, *District 9*, and *The Golden Compass*.
