EXPERIENCE

Dalton Case is an associate in the San Diego office of Wilson Sonsini Goodrich & Rosati. His practice focuses on patent prosecution, serving clients in the chemical, biotechnology, and software industries.

Dalton served as an extern for Judge Bernard Skomal during law school, where he was introduced to patent litigation and discovery. He was also a patent intern at Patterson + Sheridan, LLP during law school, where he assisted with serving clients in the chemical engineering and software industry.

Dalton gained extensive experience in chemical engineering through his undergraduate research at UCLA, where he assisted in designing an ammonia plant in China. Before law school, he also worked at a San Diego winery, where he tested wine in the lab and helped determine flow processes.
