EXPERIENCE

Christina Fuleihan is an associate in the Boston office of Wilson Sonsini Goodrich & Rosati, where she is a member of the Technology Transactions practice. She focuses on the representation of pharmaceutical, biotechnology, and medical device companies in various intellectual property and commercial transactions, including licensing and strategic alliances.

During law school, Christina also obtained a graduate degree in public health. Her research into the activities of public health agencies during the COVID-19 pandemic received awards through the AUWCL National Health Law Writing Competition and Food and Drug Law Institute's Austern Writing Competition.
