EXPERIENCE

Jessica Remlinger is an associate in the San Francisco office of Wilson Sonsini Goodrich & Rosati, where she advises clients across the clean technology space, including solar, wind, energy storage, grid services, and electrical vehicle charging.

While attending law school, Jessica was a judicial extern for the honorable William V. Gallo and the honorable Gonzalo P. Curiel in the U.S. District Court for the Southern District of California. She also served on the executive board of the Vis International Commercial Arbitration Moot and was an associate editor for the *San Diego Journal of Climate and Energy Law*. Upon graduation, Jessica received USD School of Law's pro bono service recognition.
