HIGHLIGHTS

■ Experienced Antitrust Practitioner

Jindrich assists clients in antitrust investigations before the European Commission and other competition agencies. His practice focuses on cartel, abuse of dominance, and other behavioral investigations, as well as general antitrust counseling. He also advises on ESG and sustainability collaborations and regulations.

■ Expansive Enforcement Agency Experience and Connections

Jindrich worked at the European Commission's Directorate-General for Competition for more than 10 years and was most recently executive director of operations at the Hong Kong Competition Commission. With over 15 years of antitrust enforcement experience, Jindrich provides clients with strategic guidance on complex antitrust procedures.

EXPERIENCE

Jindrich Kloub is a partner in the Brussels office of Wilson Sonsini Goodrich & Rosati and a head of its European antitrust team. He focuses on complex antitrust investigations, cartel defense, digital markets regulations, and general antitrust counseling and compliance. Jindrich is a member of the firm's ESG cross-practice initiative and his practice also covers counseling on sustainability collaborations and compliance with the EU's sustainability regulations.

Prior to joining the firm, Jindrich was executive director of operations at the Hong Kong Competition Commission (HKCC), where he was responsible for overseeing the HKCC's antitrust enforcement between 2017-2022. Before joining the HKCC, Jindrich worked as a lead case handler at the European Commission's Directorate-General for Competition (DG COMP) for more than a decade. During that time, he conducted numerous major international cartel investigations, including precedent-setting cases in the financial services sector involving LIBOR and Forex benchmark rates.

Jindrich is a frequent speaker and author on competition law and maintains deep connections within the international enforcement community. He has been a visiting professor of competition law at Université Catholique de Lille since 2010.
