EXPERIENCE

Claire Christensen is an associate in the San Francisco office of Wilson Sonsini Goodrich & Rosati, where she is a member of the firm's energy and climate solutions practice. Her practice focuses on representing developers, sponsors, borrowers, lenders, arrangers, tax equity investors, private equity funds, and other investors in project finance, structured finance, acquisitions, project development, regulatory compliance, and general corporate transactions in the renewable energy and clean technology sectors.

Prior to joining the firm, Claire was an associate at Kirkland & Ellis LLP, where she performed a wide range of duties for the general corporate practice and ESG & Impact practice advising clients with respect to ESG, mergers and acquisitions, debt finance, energy project finance, energy regulatory compliance, fund formation and management, and general corporate matters.
