EXPERIENCE

Brendan Franca is an associate in the Boston office of Wilson Sonsini Goodrich & Rosati, where he represents life sciences and technology companies throughout their business life cycle. Brendan focuses his practice on corporate and securities laws, advising clients on matters such as formation, venture capital financing, and corporate governance.

Brendan joined Wilson Sonsini as a summer associate, where he assisted with the representation of early-stage life sciences companies. During law school, Brendan served as a student attorney in the Entrepreneurship & Innovation Clinic at Boston College Legal Services LAB, representing entrepreneurs and small businesses in the Greater Boston area.
