EXPERIENCE

Karol Piwonski is an associate in the Brussels office of Wilson Sonsini Goodrich & Rosati. His practice focuses on data protection, privacy, and data regulatory law.

Karol advises clients on all aspects of European privacy and data protection law. He has worked on a number of GDPR compliance projects and has experience in advisory, transactional, and regulatory matters, including enforcement actions by supervisory authorities. He also advises companies on current and upcoming EU regulations, including the Artificial Intelligence Act and the Digital Services Act.

Karol advises a broad range of clients, from start-ups to global market leaders, on cutting-edge regulatory and privacy issues across sectors such as technology, social media, advertising, financial services, and other data-driven industries.

Karol is a native Polish speaker. He is fluent in English and familiar with French.
