

## Executive Branch Updates: Latest from the Trump Administration

### OVERVIEW

Since the dawn of the Trump administration, executive orders, proclamations, and federal guidance have been issued on a continuous basis. Against this backdrop, it is imperative that businesses and other stakeholders stay abreast of the latest developments and respond as appropriate.

Wilson Sonsini is closely monitoring the developments that will most significantly impact our clients and providing ongoing analysis of how their businesses may be affected, as reflected through the resources highlighted below. Please consult with your Wilson Sonsini contact for guidance on these matters.
