CLIENT HIGHLIGHTS

July 30, 2025

On July 30, 2025, Streamline AI, an intelligent intake and matter management platform for in-house legal teams, announced an oversubscribed \$8.6 million Series A investment round led by Blumberg Capital, with participation from Tribeca Venture Partners, Acronym Venture Capital, Great Oaks Venture Capital, and Scribble Ventures. Wilson Sonsini Goodrich & Rosati team advised Streamline AI on the transaction.

The company will use the additional funding to accelerate its product roadmap and bolster its team.

The Wilson Sonsini team that advised Streamline AI includes [Lang Liu](#), [Gloria Liang](#), and [Partha Vora](#).
