WILSON SONSINI

Wilson Sonsini Advises Solidroad on $25 Million Series A Financing

CLIENT HIGHLIGHTS

April 21, 2026

On April 16, 2026, Solidroad, an AI-native quality assurance and training platform for enterprise customer experience teams, announced a $25 million Series A round led by Hedosophia, with continued participation from First Round Capital and Y Combinator. Wilson Sonsini Goodrich & Rosati advised Solidroad on the transaction.

Solidroad will use the funding for team expansion across San Francisco and Dublin, and furthering product development.

The Wilson Sonsini team that advised Solidroad on the transaction included Bradley Doline, John Delaney, and Ashley Clay.

For more information, please see Solidroad's news release. Additional coverage can be found on Axios and Pulse 2.0.
