EXPERIENCE

Jennifer Liu is a China partner in the Hong Kong office of Wilson Sonsini Goodrich & Rosati. She has extensive experience advising corporate and investment banking clients on a broad range of corporate matters, including Hong Kong and U.S. initial public offerings and follow-on equity and debt offerings. Jennifer's practice spans multiple industries, including healthcare, life sciences, technology, consumer products, and financial services.

Prior to joining the firm, Jennifer was an executive director at a top global investment bank as legal counsel in the Investment Banking and Global Capital Markets divisions. Jennifer was also a counsel in the Hong Kong office of another leading international law firm.

She is fluent in both Mandarin and English.
