EXPERIENCE

Alex Moffitt is an associate in the London office of Wilson Sonsini Goodrich & Rosati, where she advises public and private technology and life sciences companies at all stages of growth. Her practice focuses on corporate and securities law, including mergers and acquisitions, venture capital financings, general corporate representation, and public offerings.

During law school, Alex interned in the legal department at the United Nations World Food Programme. Prior to law school, she worked for the United States House of Representatives Committee on Ethics.
